Consortium Name: 46 About Students Regional Consortium, Riverside

Funding Channel: Direct Funded

Narrative: The ABOUT STUDENTS Consortium allocation distribution aligns with the annual plan focusing on maintaining members' program offerings in adult basic education, English as a second language, adult secondary education, and short-term career technical education. Member providers will offer learning opportunities by delivering instruction through in-person, distance learning, and hybrid models, expanding classes available to the community based on demand and local allowable guidelines. Additionally, consortium members will continue to increase short-term Career Technical Education programs, and improve outreach and communications to prospective students and the community addressing gaps in accessibility and efforts of economic recovery for the community. Members of the consortium are committed to data-driven decisions which will support literacy and digital skill development for students and broaden workforce and post-secondary education opportunities. Continued efforts to ensure for all populations, consortium members will continue to leverage the strength and resources of community partners through projects and networking. Adult education providers will continue to explore and provide additional opportunities to serve students who need workforce preparation, post-secondary transitions, and support for K-12 success. As the regional data analysis demonstrates the need for additional services in areas lacking adult education services, which increased during the pandemic and economic downturn in California. The ABOUT STUDENTS Consortium has developed the 2022-2025 Three-Year Plan which has identified goals and strategies for the regional focus and activities that members will engage in to build cohesive efforts and increase services. 1. Cultivate mutually-beneficial industry and community partnerships that create meaningful opportunities and pathways for students. 2. Grow and maintain student enrollment in all program areas reflective of the needs of the community. 3. Provide equitable, inclusive, and quality instruction and support services that maximize student achievement and success. 3. Provide equitable, inclusive, and quality instruction and support services that maximize student achievement and success. 4. Foster an organizational culture of excellence and continuous improvement. 5. Attract, retain, and develop skilled, dedicated student-centered administration and staff who are empowered to use forward-thinking and creativity to promote student success.
