48 San Diego Adult Education Regional Consortium

Fiscal Declaration - Consortium Approved

Consortium Name: 48 San Diego Adult Education Regional Consortium

Funding Channel: Direct Funded

Narrative: The SDAERC is using an annual allocation method based on a percentage split that was developed by the Consortium when first formed by the original two member agencies: San Diego Community College District's (SDCCD) noncredit institutional San Diego College of Continuing Education and San Diego Unified School District's (SDUSD) Adult Education division. Note that in January of 2021, San Diego Continuing Educaiton added "College" to its title which was approved by the Board of Trustees. This split includes 75% of the Consortium allocation to SDCCD and 25% of funds to SDUSD AE. This allocation takes into consideration the size of the Adult Education programs offered by each member in terms of the number/percentage of students. This data shows that SDCE is currently serving approximately 98% of the Consortium's total headcount being reported to CAEP. Additionally, the SDAERC has acknowledged funding levels needed to maintain and sustain AE programming with SDUSD. The SDAERC planned allocation to members is based upon the budgeted and planned expenditures that utilize funds efficiently and that are justifiable and reasonable. Note that the partnership between CAEP Consortium member agencies is based upon a historic "Delineation of Function Agreement from 1979. This agreement defined the cooperative working relationship between districts for the adult education and training programs. CFAD Allocation Notes: Due to changes in allocation in PY 20/21 with the Governors budget, CFAD is showing a deficit. However, please refer to the Fiscal Allocation section in NOVA. This matches the consortiums records. No changes in allocation distribution methodology has occurred.
