Allocation Amendment Summary

Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

Consortium Name: 49 San Francisco Adult Education Consortium

Funding Channel: Direct Funded

Narrative: City College of San Francisco (CCSF), as the primary provider of Adult Education services in the region, receives 90% of the annual allocation and SFUSD receives 10%. Each member institution creates an annual budget that aligns with the activities outlined in the current annual plan, which is derived from the Regional Comprehensive Three Year Consortium Plan. CCSF spends the bulk of AEP funds on activities that either directly support students or that improve systems that deliver academic and student support services. SFUSD uses their allocation to provide counseling and support services for their eligible students Newcomer Schools (English Language Learners), Special Education, and those likely to transition to CCSF AE programs through dual enrollment or credit recovery. The current funding level is adequate for the strategies and activities outlined in the current plan.
