Corrective Action Plan *

Some open positions were filled after the end of the second quarter. We have experienced staff attritions and those need to be filled as well. Additional Comments Funds have been expended for instructional and student support salaries including release time to provide digital literacy. Students receive individualized time with teachers and Student Advisors to develop goals and monitor them. Other activities address all elements of the Annual Plan. Professional development is offered to teachers along with opportunities for them to collaborate.

Additional Comments

In the second quarter, we offered a full-time position to classified staff, making it a whole FTE. We hired a part-time evening ESL teacher to fill a vacancy. An ESL afternoon class that started as a pilot in Q1, is scheduled as part of our offerings. In Q2, we strengthened the 3 distance learning classes to include more collaboration among teachers. check-in time with individual students and review of new DL platforms. The Q2 funds have been spent according to the budget plan.
