Allocation Amendment Summary

Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

Consortium Name: 51 South Bay Consortium for Adult Education

Funding Channel: Direct Funded

Narrative: Per California Adult Education Program requirements, the planned allocations are consistent with SBCAE's annual plan, which in turn is aligned with the active Three Year Regional Plan for Adult Education. The annual plan will be approved by the SBCAE Steering Committee in a formal public governance meeting, and Steering Committee members are responsible and accountable to align their CAEP allocations with the objectives in the annual and three year plan through the budget submission and approval process in NOVA. Furthermore, in accordance with the SBCAE Charter, members will provide regular updates on expenditures, and their alignment with the annual and three year plan, at public Steering Committee meetings. Allocations made explicitly to support consortium-wide needs will be included in this regular budget review cycle. SBCAE's member effectiveness committee critically reviews allocations and expenditure alignment with the plan. The committee presents findings and recommendations to the Steering Committee at formal public meetings. This process of transparent fiscal accountability, conducted at formal public governance meetings, will ensure allocations are used consistent with the active annual and three year plan
