Consortium Name: 53 Accel San Mateo County

Funding Channel: Direct Funded

Narrative: ACCEL San Mateo continues to make progress toward the achievement of the goals and strategies as set forth in its 3 Year Strategic Plan. ACCEL s consortium members adapted to the challenging environmental conditions due the Covid-19 Pandemic, pivoted to online and hybrid educational instruction, and assisted our students with challenges caused by the digital divide. ACCEL consortium members are actively engaged in serving our students and remain committed to ensuring equitable access, growth, and successful outcomes for adult education students throughout the region. In 2020-2021, ACCEL established project teams as a tool to assist in the achievement of strategic goals as outlined in its 3 Year and Annual Plan. The project teams are focused on developing tools and promising practice guidelines to support and foster collaboration between ESL, ABE/ASE & CTE faculty. The project teams: (1) Support Services; (2) Curriculum Alignment Between Adult Schools & Community Colleges; Short Term CTE Certificates & Training. The project teams have been diligently and consistently working to gather data and information that may be used to further inform and guide the work of the Consortium and its members. The Support Services and CTE Certificates & Training project teams have developed and administered surveys among students enrolled in its adult schools, community colleges, and community-based organizations in the region. Survey questions were designed to identify gaps in services that support adult learners, identify the type of short-term CTE programs that both current and prospective students would be interested in, and if the identified programs were offered would they then enroll. Survey data analysis and summary reports are presently in progress. ACCEL San Mateo County consortium is on track for achieving its goal of new CTE programs and collaboration between its adult school and college members. New CTE programs presently being offered: Dispensing Optician San Mateo Adult School & Canada College; AWS Amazon Cloud Computing San Mateo Adult School & College of San Mateo; Early Childhood Education - South San Francisco Adult School and Skyline College.

Changes: On April 1, 2021, ACCEL s Management Team consisting of its adult school directors/principles and community college directors/deans voted to approve the member allocations, as well as an allocation in the amount of \$320,606 for ACCEL s General Fund. On April 15, 2021, ACCEL s steering committee in their public meeting approved the proposed 2021-22 allocations, including the allocation for ACCEL s general fund. ACCEL s general fund covers the consortium s operating expenses.
