55 Santa Clarita Valley Adult Education Consortium

Allocation Amendment Summary

Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

Consortium Name: 55 Santa Clarita Valley Adult Education Consortium

Funding Channel: Direct Funded

Narrative: College of the Canyons (COC) and Golden Oak Adult School (GOAS) have partnered together to serve adult learners in the Santa Clarita Valley with a broad array of developmental and career education courses that expand access and opportunity for thousands of existing and potential students. The consortium's vision, simply stated, is to support a comprehensive regional program for adult learners by fostering partnerships, streamlining pathways, and by creating support programs and courses to accelerate students toward their educational and career goals. Our districts (the Santa Clarita Community College District and the William S. Hart Union High School District) have a long history of collaboration, and the CAEP consortium efforts have served to expand on the tradition of service to our community. We will continue with the development of visual pathway maps for students and the community as well as joint outreach promoting adult education in the Santa Clarita Valley. In addition, we will also continue our efforts toward course alignment, data protocols, and shared resources. Allocations are proportionally equivalent to past years' allocations and reflect the financial needs of each member to support adult students in the Santa Clarita Valley. The method of direct funding allows us a more efficient means of access to funding for each member. Our regular fiscal and activity reports are discussed with the consortium management team and submitted as informational board reports. After discussion, budget and narrative reports are submitted by each member and certified. Additionally, the current year COLA has been allocated to Golden Oak Adult School per Ed Code section 84914 (B): The member cannot provide services that address the needs identified in the adult education plan.
