60 Solano Adult Education Consortium

Allocation Amendment Summary

Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

Consortium Name: 60 Solano Adult Education Consortium

Funding Channel: Direct Funded

Justification: Not Complete

Narrative: In 2019-20, the SAEC entered the first year of its 2019-22 Three-Year Adult Education Plan and made progress toward meeting stated goals and objectives outlined in both the SAEC California Adult Education Program (CAEP) annual plan and the Three-Year Plan. The 2020-21 planned allocation, as outlined in this year's CFAD, provides member agencies with the funding levels to continue making progress toward the identified goals of enhancing and expanding the current level of adult education, improving adult learner outcomes, and continuing to strengthen a coordinated regional adult education network. The consortium's adult schools continue to maintain and grow their programming, and in 2019-20 the consortium's four adult school members increased partnerships with Solano Community College, the Solano County Office of Education, and the Solano County Workforce Development Board. Moving into 2020-21, the SAEC will continue to foster regional collaborative relationships, share professional development opportunities, and leverage resources with community partners. These efforts to grow community and regional partnerships, as well as develop consortium-wide pathways, are top priorities of the consortium's Three-Year Plan. For their part, Solano Community College and the Solano County Office of Education will continue to use their CAEP allocations to develop bridge program opportunities and continue the consortium Job Club, respectively. As part of the effort to optimize funding for CAEP implementation, the SAEC elected to allocate 2020-2021 to preserve base programming funds for all members, while directing targeted increases to two members with growing registrant populations, Fairfield-Suisun Adult School and Vacaville Adult School. SAEC members also voted to leverage common cost funds to support a Transition Specialist, countywide professional development opportunities, and consortium website marketing. The Transition Specialist will be a key component to increasing capacity in building postsecondary transitions and linking Solano County's adult learners to career pathways in 2020-21. The SAEC common cost fund will be maintained and managed by the Solano County Office of Education (SCOE) in 2020-21. Additional expenses to be covered using this fund in 2020-21 include consortium management and accounting services. The 2020-21 preliminary allocation includes a 2.29% COLA, or \$92,108, which was split proportionately among each of the consortium's six members based on their 2019-20 allocations. Two members who had previously been receiving common cost funds as part of their base allocations, SCOE and Vacaville Adult School, will be receiving decreased allocations in 2020-21 due to the SAEC members voting to move all common cost funds out of members' base allocations. Specifically, SCOE had received an allocation increase of \$65,000 in 2019-20 to pay for a Transition Specialist position that was not hired due to COVID-19. Vacaville received an additional \$68,000 in addition to its base allocation in 2019-20 to cover common consortium costs. Both allocations will reduce by these respective amounts in 2020-21 (not including successive increases from the COLA or Vacaville's needs-based programming allocation increase). In 2020-21, common cost funds will be paid out from members using the allocation amendment process. CFAD changes are outlined in more detail in the following section.

Changes: The SAEC 2020-21 CFAD reflects allocation increases for most members compared to 2019-20 due to the proportionate distribution of the 2020-21 COLA. The consortium's preliminary allocation for 2020-21 is \$4,114,332, which includes a COLA of 2.29%, an increase of \$92,108 from the previous year's allocation amount. As stated above, the SAEC 2020-21 CFAD includes reductions to the base allocations of two members, the Solano County Office of Education and Vacaville Adult School. Pursuant to Education Code rules under EC 84914 Section B, Vacaville Adult School's reduction is due to the

member no longer being the Administrative Unit (AU) for the SAEC, and therefore the member is unable to provide services covered by consortium common cost funds. Pursuant to Education Code rules under EC 84914 Section A, the Solano County Office of Education's reduction is due to the member desiring a distinction between their allocation and common cost funds. The state-approved COLA of 2.29% has been applied proportionally to all members allocations. Board-designated voting members approved the SAEC 2020-21 CAEP allocation outlined in this CFAD at the SAEC Board Meeting, a public meeting, on April 24, 2020, held remotely due to the COVID-19 Shelter-in-Place directive.
