## 60 Solano Adult Education Consortium

### Allocation Amendment Summary

#### Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

**Consortium Name:** 60 Solano Adult Education Consortium

**Funding Channel:** Direct Funded

**Narrative:** Our Solano Adult Education Consortium (SAEC) members have spent considerable time reflecting on the funding needs of each member, and ensuring that funding allocations are appropriate for member growth, member programming & programming plans per the annual plan and 3-year plan, changing needs due to the COVID-19 pandemic, as well as the consortium's ability to fund common consortium administrative costs. Our two non-adult school members, SCC and SCOE, continue to have funding levels that support their more limited (compared to the adult schools) adult education programming or support services. These services are explicitly described in the annual plan. Our four adult school members are all in good standing as members, so each adult school member is receiving their prior year's base in addition to the FY 2021-22 COLA. The following FY 2021-22 allocations reflect the new fundings bases for each of our members. SCOE, as the consortium administrative unit (AU), manages the bucket of common consortium funds. As the consortium is direct-funded, members determine common costs on an annual as-needed basis, and these are not reflected in the CFAD but rather in between-member transfers at the local level (per CAEP guidance).

**Changes:** No Changes
