61 Sonoma County Adult Education Consortium

Allocation Amendment Summary

Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

Consortium Name: 61 Sonoma County Adult Education Consortium

Funding Channel: Direct Funded

Justification: Not Complete

Narrative: Allocations for the three service providers in the Sonoma County Adult Education Consortium for the 2020-21 fiscal year, are aligned with the goals and objectives for both the annual plan and the three year plan for the consortium. That focus has been the expansion of high school diploma programs provided by Petaluma Adult School into regional academic hubs in Windsor, Sonoma Valley and Santa Rosa; consortium provider collaboration and maintenance of strong ESL programs, the provision of construction industry sector short-term career skill training programs; training for adults supporting elementary and secondary academic success; and additional local workforce focused career skill training programs. It is also important to the consortium that instructors and staff are provided robust professional development opportunities and are supported with adequate instructional materials for the classroom. In addition, one of the main goals of the consortium is to provide outreach for community awareness of adult education programs and to provide staff that will support students through the adult education pathway process.

Changes: For the Fiscal year 2020/21, the COLA will be split equally between the Petaluma Adult School and the Sonoma County Community College District. The Sonoma County Office of Education has reduced the number of sections they are offering, so a COLA was not applied to their base allocation. Petaluma Adult School has increased offerings in high school diploma and equivalency, and the Santa Rosa Junior College (SCCCD) has increased offerings in short term non credit career education, as well as support and communication services for the consortium.
