

61 Sonoma County Adult Education Consortium

CONSORTIUM APPROVED

2024-25

Fiscal Declaration - Consortium Approved

Consortium Name: 61 Sonoma County Adult Education Consortium

Funding Channel: Direct Funded

Narrative: The Sonoma County Adult Education Consortium (SCAEC) will adhere to the Annual Plan for 2023-24, which will be based on the SCAEC Three-Year Plan. This consortium is direct funded, and it is the goal to continue with this model. All the service providers agreed that the current direct funded model works well, and they are not interested in reverting back to the fiscal agent model. The allocation percentage for the three agencies has remained consistent over the past years, with approximately 38-39% going to SRJC, a little over 53% going to PAS, and close to 8% going to SCOE. The allocations for each service provider might vary depending on the annual allocations to the consortium, but the percentage of the split remains the same. The allocations provided here were reviewed and approved by all consortium members during oversight committee meeting held on April 17th, 2024.

Carryover Threshold

Input a percentage of carryover that your consortium agrees will be considered an excessive amount.

Should a member, or members, exceed this carryover percentage upon certification of their Q4 report, they will be flagged as non-compliant with the carryover legislation (EC 84914). One year of non-compliance does not carry a penalty. However, should the same member, or members, have two consecutive years of non-compliance the consortium may agree, by majority vote, to reallocate an amount that does not exceed the carryover to other members.

A consortium does have the ability to opt-out. To do so, simply toggle the carryover threshold button to the off position.

Consortia Report on Governance Compliance of Rules and Procedures v.2

1. Have all community college districts, school districts, county offices of education, or any joint powers authority, located within the boundaries of the adult education region been allowed to join the consortium as a member? *

Yes

2. Have all members committed to reporting any funds available to that member for the purposes of education and workforce services for adults and the uses of those funds? *

Yes

3. How will the available funds be reported and evaluated? *

At the first meeting of each new school year, all service providing members will submit to the Oversight Committee, a common spreadsheet (template to be provided by the Consortium Director), with the total amount of funding and anticipated expenses by fiscal category. The SCAEC will approve member allocations and the budget at the May meeting of the Oversight Committee each year. The Oversight Committee may request information and/or discussion items regarding the budget prior to the May meeting. The SCAEC members receiving funding as service providers recognize that all allocations must be spent in accordance with the laws set forth in AB 104, Article 9, and the Consortium’s Annual Plan. Funding is allocated only to the service provider agencies. Proposals to reduce or redistribute funding may be made by any Oversight Committee member. All votes to redistribute funding shall be unanimous, after considering the input of the Service Providers.

4. How will you assure that each member of the consortium is represented only by an official designated by the governing board of the member? *

The Sonoma County Adult Education Consortium (SCAEC) is comprised of one official point person per district. Each member organization will provide a copy of their governing board's approved resolution.

5. How will you assure that each member of the consortium participates in any decision made by the consortium? *

The voting power is as follows: Two votes- Petaluma City Schools, Sonoma County Community College District & Sonoma County Office of Education; One vote- Santa Rosa City Schools, Sonoma Valley Unified School District & Windsor Unified School District.

7. How will decisions be approved? *

50% +1 vote

8. How did you arrive at that decision-making model? *

The Oversight Committee for the Sonoma County Adult Education Consortium agreed at their meeting on October 22, 2015, that decisions will be approved by a majority vote, plus one. Governance structure was included in the superintendent presentation and discussion on July 27, 2015. After Oversight Committee members were appointed by their respective districts, the members discussed and approved the decision-making model for Sonoma County. The following agencies were present: - Petaluma City Schools - Sonoma County Community College District - Sonoma Valley Unified School District - Windsor Unified School District.

9. How will proposed decisions be considered in open, properly noticed public meetings of the consortium at which members of the public may comment? *

Meeting agendas and reports will be emailed to each member district no later than 72 hours prior to the start of the Oversight Committee meetings and shall be posted at the district offices. In addition, meeting agendas will be posted to the website: www.socoadulted.org prior to meeting dates.

10. Describe how will you provide the public with adequate notice of a proposed decision and consider any comments submitted by members of the public. *

Proposed decisions will be emailed to all members and agencies who have participated in Stakeholders' meetings and posted to www.socoadulted.org at least 72 hours prior to the start of the Oversight Committee meetings. Members of the public can use the email on the website, adulted@santarosa.edu at any time to submit comments.

11. Describe how comments submitted by members of the public will be distributed publicly. *

All comments will be printed and read at the Oversight Committee meeting and included as part of the record of the meeting. Public comments will also be posted to www.socoadulted.org.

All comments will be welcomed through the website www.socoadulted.org and by email at adulted@santarosa.edu. Governance committee members will receive copies of all public comments prior to a vote on any item on the agenda. Committee members will be advised to consider comments delivered through electronic or written mail in addition to any public comments on an item that occur directly at the publicly noticed meetings. Public comment cards will be provided at each governance meeting.

13. How will you determine approval of a distribution schedule pursuant to Section 84913? *

A distribution schedule will be determined by the Oversight Committee. A draft distribution schedule will be created based on the approved regional plan and requested revisions to the regional plan. Oversight Committee members will discuss the distribution schedule in a publicly posted meeting and make a decision at the public meeting.

14. Has the consortium A) designated a member to serve as the fund administrator to receive and distribute funds from the program or B) chosen to have a funds flow directly to the member districts based upon the approved distribution schedule? *

B) chosen to have funds flow directly to the member districts based upon the approved distribution schedule

15. How will members join, leave, or be dismissed from the consortium? *

Members can voluntarily leave the consortium but must provide written notice sixty (60) days prior to vacating membership. Any member that voluntarily chooses to leave the Consortium must return the balance of its allocation to the Consortium within 15 days of the effective date of leaving, or as stipulated in Article IX, Section 1. The SCAEC Oversight Committee (described in Article III) will determine how to redistribute the allocation returned by the departing member. Any agency who is not a member of the Consortium may submit to become a member by sending a formal request to the Director. The request will be placed on the next Oversight Committee agenda. The agency requesting to become a member must provide the reasons for wanting to join the Consortium. If the request also includes funding, the requesting agency must provide a plan for the redistribution of Consortium funds. The Oversight Committee will discuss and vote on the request. The decision to add a new voting member requires a two-third majority vote. Members of the Consortium may be removed for non-performance, per AB104, Section 39, Article 9, Non-performance includes any one or more of the following:

- Failure to attend Oversight Committee meetings (members can only miss two meetings per fiscal year)
- Failure to provide services as planned
- Failure to meet enrollment and completion standards as agreed in the Annual Plan
- Failure to spend budget as agreed in the Annual Plan

Target enrollments and rates are monitored by the service providers and presented to the Oversight Committee (OVC). After presentation of the data, the OVC may recommend to take action against a member for information presented in the report. If a recommendation from the OVC is brought forward for a member to potentially be removed for non-performance of duties, the decision requires a two thirds majority vote. The OVC is then required to instruct the Director to send notification of potential action to the agency Representative and Superintendent. The agency must respond to the letter of potential action within 30 days, and will have one semester to complete corrective action on the item(s) listed as the reason for potential removal. If the item(s) is not addressed or corrected within the semester, further action up to and including removal of the agency by the Oversight Committee can occur. Vote for approval to remove a member must be a two-thirds majority.

16. What is the consortium's defined "excessive" member carryover percentage threshold? *

The member carryover limit will not be set at this time. The SCAEC Oversight Committee will monitor overall consortium spending and take measures to ensure that it remains under the 20% carryover limit required by the state.

17. Please explain how the consortium will monitor and administer carryover funds. What is the consortium's technical assistance and reasonable intervention process? What additional bylaws do you have that govern carryover? *

The SCAEC Oversight Committee will monitor the spending of all members with the submission of quarterly fiscal reports and by reviewing the FIFO data. If a member is not spending their allocation per state guidelines and as a result, the Consortium is in danger of exceeding the 20% carryover limit, the consortium director will work with this member to create a plan to reduce their carry over. The SCAEC Oversight Committee updated its bylaws on January 17, 2024 to include the "Consortium Effectiveness Criteria" section under article 10:

AB 1491 amends Sections 84901 and 84914 of the California Education Code AB104, Article 9, relating to Adult Education. It outlines consortium effectiveness criteria including that a consortium must not have a collective carryover balance that exceeds twenty (20) percent annually.

- b. Any carryover funding that exceeds the twenty percent threshold in one or more prior fiscal years shall be determined as excessive carryover.
- c. A consortium that has been deemed by the Chancellor and Superintendent to have excessive carryover is required to submit a written expenditure plan to the State.
