Corrective Action Plan *

ESL program costs related to the partnership with the City of Laguna Beach as accounted for at the beginning of Quarter 3. Some Covid-related challenges persisted in the first two quarters that impacted program enrollment. The new GED program and CTE program (partnership with CCA) began in late December. The costs for these programs will be accounted for in Quarter 3. The new GED and CTE courses are expected to show steady growth during the first two years of implementation.

Additional Comments

Additional hours for staff to support daily program needs have not been utilized at this point. Current support is being provided by K-12 staff at no cost to the adult education program.

Two classes had to be closed due to teachers leaving. Will hire new teachers and offer more classes in the spring semester. Also currently looking to fill a vacant paraeducator position that we have not been able to fill since September.

Additional Comments

Saw an increase in the amount of students attending classes from one year ago. Challenge is finding teachers to staff classes.
