## 62 South Orange County Regional Consortium (SOCRC)

### Allocation Amendment Summary

#### Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

**Consortium Name:** 62 South Orange County Regional Consortium (SOCRC)

**Funding Channel:** Direct Funded

**Narrative:** The South Orange County Regional Consortium voted unanimously at their Executive Committee meeting held on Monday, April 25, 2022, to continue with the Direct Funded fiscal administration model and to distribute the Cost-of-Living Adjustment according to the percentage of allocation for each service-provider agency to total allocation. The baseline allocation prior to the addition of the COLA, was the continuance of the prior year's allocation plus .295 percent for each funded agency except Saddleback College to eliminate the unallocated 1.4777% of funds from the prior year redistribution. Per statute, no funded member is receiving less than the prior year allocation. Based on the mission and vision statements, members created overarching goals, objectives and action steps that are included in the annual report and are directly related to the member allocation. All service provider agencies will present budget expenditure and service provision updates on a quarterly basis at the SOCRC Executive Committee meetings. Requests for large capital outlay or projects by any service provider member are presented to the Executive Committee for review and approval.

**Changes:** No Changes
