64 State Center Adult Education Consortium

Allocation Amendment Summary

Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

Consortium Name: 64 State Center Adult Education Consortium

Funding Channel: Fiscal Agent

Fiscal Agent: Not Selected

Narrative: The State Center Adult Education Consortium (SCAEC) will begin the last year of our three-year plan. Due to the challenges and opportunities due to the pandemic, SCAEC staff and members have continued to focus on meeting the needs and gaps of students and communities as outlined in our three-year plan. Our Transitions Team (TT) continues to provide student support by attending virtual classrooms and meeting with students one-on-one to provide CBO and Workforce referrals as well as college and financial aid applications. Our TT created a student and teacher resource website to ensure students have access to valuable resources during the pandemic and plan for their future. The TT has also created virtual Zoom workshops on financial aid, applying to college, finding a job, and creating your brand and resume writing. We have also hosted virtual college campus tours as well as our annual College Showcase event on Zoom. SCAEC also holds quarterly data and accountability workshops to ensure data is captured accurately. Several meetings have taken place with our college members to create opportunities via SB 554 for students. Most of our schools were closed for in-person instruction but continued to offer distance learning courses. Many CTE programs remained in person with fewer students. For the 21/22 school year, we will continue to follow our three-year plan and modify instruction delivery and transition services as needed. We will continue with our monthly newsletters and social media presence.

Changes: In 2021/2022, SCAEC adds Madera Community College to NOVA as a separate member and will no longer be a part of Reedley College. We will also add Parlier Unified as a non-funded voting member. The SCAEC Office will provide data support to the district as well as transition services to students.
