## 64 State Center Adult Education Consortium

### Fiscal Declaration - Consortium Approved

**Consortium Name:** 64 State Center Adult Education Consortium

**Funding Channel:** Fiscal Agent

**Fiscal Agent:** State Center CCD

**Narrative:** The State Center Adult Education Consortium (SCAEC) will begin the implementation of our 2022-2025 three-year plan. SCAEC staff and members will continue to focus on meeting the needs and gaps of students and communities as outlined in our three-year plan. Our Transitions Team created a student and teacher resource website to ensure students have access to valuable resources to plan for their future. The Transitions Team continues to provide student support by attending both in-person and virtual classrooms and meeting with students one-on-one to provide CBO and Workforce referrals. They continue to hold workshops on financial aid, applying to college, finding a job, creating your brand, resume writing, and Next Step Fairs. We continue to host virtual and in-person college campus tours as well as our annual College Showcase. SCAEC also hosts quarterly data and accountability workshops to ensure data is captured accurately. Our college members are working with the adult schools within their sub-regions to implement SB 554 opportunities for adult education students. For the 22/23 school year, we will follow our new three-year plan and modify instruction delivery and transition services as needed. SCAEC has hired a consultant to assist with the pathways and curriculum alignment project. Marketing efforts continue with our monthly newsletters and social media presence. Changes: In 2022/2023, SCAEC will fund Parlier Unified School District to move from a non-funded member and they will receive a small allocation to build their adult school program.

**Changes:** No Changes

## Consortia Report on Governance Compliance of Rules and Procedures v.1

**1. Have all community college districts, school districts, county offices of education, or any joint powers authority, located within the boundaries of the adult education region been allowed to join the consortium as a member? \***

Yes

**2. Have all members committed to reporting any funds available to that member for the purposes of education and workforce services for adults and the uses of those funds? \***

Yes

**3. How will the available funds be reported and evaluated? \***

All members have committed to reporting any funds available to each member for the purposes of education and workforce services and their respective uses. The funds shall be reported in NOVA and evaluated on a quarterly basis by the fiscal manager and executive director. The budget committee will review member carryover on an annual basis.

**4. How will you assure that each member of the consortium is represented only by an official designated by the governing board of the member? \***

The SCAEC Governing Board is selected by each member district's Board of Trustees to provide leadership and citizen oversight of the consortium's plan. Member Representative forms will be approved by member districts and submitted to the SCAEC office.

**5. How will you assure that each member of the consortium participates in any decision made by the consortium? \***

Consortium meetings will follow a calendared schedule which will be published along with meeting agendas on the SCAEC website. Email notifications and reminders will be sent to all members/representatives. A quorum must be established to make any decisions. The SCAEC plan defines a quorum as a majority (50%+1) of the membership in attendance. Modified Robert's Rules of Order will be followed to ensure transparency and order within the meetings. A member, or their official alternate designee, who cannot attend a meeting in person will be permitted to participate through the use of teleconference at the discretion of the Board if appropriate notice is given.

**6. What will be the relative voting power of each member? \***

1 member = 1 vote

**7. How will decisions be approved? \***

50% +1 vote

**8. How did you arrive at that decision-making model? \***

SCAEC developed its organizational structure with the assistance of an outside facilitator. This facilitator helped in shaping group norms, organizational structure, and decision-making processes. From these meetings, the members developed the original 1 vote per member structure with a qualified consensus.

All attempts will be made to reach consensus. When consensus cannot be reached, majority vote (50%+1) of the voting members/designees will rule. Quorum is established if a majority (50%+1) of the membership is in attendance. Each member district will have one vote, with the exception of State Center Community College District. SCCCD will have four voting members, each representing one college, and each with one vote. The Board believes that when no conflict of interest requires abstention, its members have a duty to vote on issues before them. When a member abstains his/her abstention shall not be counted for purposes of determining whether a majority of the membership of the Board has taken action.

**9. How will proposed decisions be considered in open, properly noticed public meetings of the consortium at which members of the public may comment? \***

SCAEC will follow the Bylaws established by the SCAEC Board to ensure open and collaborative meetings amongst the board and all stakeholders (EC 54954.3):

"54954.3. (a) Every agenda for regular meetings shall provide an opportunity for members of the public to directly address the legislative body on any item of interest to the public, before or during the legislative body's consideration of the item, that is within the subject matter jurisdiction of the legislative body, provided that no action shall be taken on any item not appearing on the agenda unless the action is otherwise authorized by subdivision (b) of Section 54954.2. However, the agenda need not provide an opportunity for members of the public to address the legislative body on any item that has already been considered by a committee, composed exclusively of members of the legislative body, at a public meeting wherein all interested members of the public were afforded the opportunity to address the committee on the item, before or during the committee's consideration of the item, unless the item has been substantially changed since the committee heard the item, as determined by the legislative body. Every notice for a special meeting shall provide an opportunity for members of the public to directly address the legislative body concerning any item that has been described in the notice for the meeting before or during consideration of that item. (b) The legislative body of a local agency may adopt reasonable regulations to ensure that the intent of subdivision (a) is carried out, including, but not limited to, regulations limiting the total amount of time allocated for public testimony on particular issues and for each individual speaker. (c) The legislative body of a local agency shall not prohibit public criticism of the policies, procedures, programs, or services of the agency, or of the acts or omissions of the legislative body. Nothing in this subdivision shall confer any privilege or protection for expression beyond that otherwise provided by law."

In addition, SCAEC will seek formats that allow for interaction from the public. All meetings will be digitally archived and meeting minutes will be posted on the SCAEC website.

**10. Describe how will you provide the public with adequate notice of a proposed decision and consider any comments submitted by members of the public. \***

Meeting notices and public comment will follow California Government Code 54954.2 which states:

"At least 72 hours before a regular meeting, the legislative body of the local agency, or its designee, shall post an agenda containing a brief general description of each item of business to be transacted or discussed at the meeting, including items to be discussed in closed session. A brief general description of an item generally need not exceed 20 words. The agenda shall specify the time and location of the regular meeting and shall be posted in a location that is freely accessible to members of the public and on the local agency's Internet website, if the local agency has one. If requested, the agenda shall be made available in appropriate alternative formats to persons with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof. The agenda shall include information regarding how, to whom, and when a request for disability-related modification or accommodation, including auxiliary aids or services, may be made by a person with a disability who requires a modification or accommodation in order to participate in the public meeting."

**11. Describe how comments submitted by members of the public will be distributed publicly. \***

Subject to guidelines intended to provide greater access to the public, comments made in response to items on the agenda will be included for distribution along with approved minutes. These will be posted on the SCAEC website, as well as member websites.

**12. Describe the process by which the consortium will solicit and consider comments and input regarding a proposed decision from other entities located in the adult education region that provide education and workforce services for adults. \***

SCAEC will invite all other entities located in the adult education region that provide education and workforce services for adults to attend Board meetings. Invitations will be sent via email, newsletters, posted on our website, and personal contact. In addition, SCAEC will seek formats to allow for interaction from the public.

EC 54953 (a) All meetings of the legislative body of a local agency shall be open and public, and all persons shall be permitted to attend any meeting of the legislative body of a local agency, except as otherwise provided in this chapter.

**13. How will you determine approval of a distribution schedule pursuant to Section 84913? \***

The approval of the distribution schedule will be done during an SCAEC Board meeting with input from the public. A quorum must be established in order to hold a meeting and to make any decisions. The SCAEC plan defines a quorum as a majority (50%+1) of the membership in attendance. The vote of each official-designated representative shall be recorded as cast. The names of the representatives making and seconding each motion shall be recorded in the consortium minutes. The distribution schedule will follow the funding priorities as specified in the CAEP Three-Year and Annual Plans.

**14. Has the consortium A) designated a member to serve as the fund administrator to receive and distribute funds from the program or B) chosen to have a funds flow directly to the member districts based upon the approved distribution schedule? \***

A) designated a member to serve as the fund administrator to receive and distribute funds from the program

**15. How will members join, leave, or be dismissed from the consortium? \***

Any community college, school, or county office of education, or any joint powers authority consisting of community college consortia, school consortia, county offices of education, or combination of these, located within the boundaries of the adult education region shall be permitted to join the consortium as a member, upon Board recognition. As a condition of joining SCAEC, a prospective member shall commit to the following:

- Data reporting including student enrollment
- Must utilize state-approved attendance tracking mechanisms
- Must be able to provide data verifying adult education and services at their site
