## 64 State Center Adult Education Consortium

### Allocation Amendment Summary

#### Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

**Consortium Name:** 64 State Center Adult Education Consortium

**Funding Channel:** Fiscal Agent

**Fiscal Agent:** Not Selected

**Narrative:** The State Center Adult Education Consortium (SCAEC) will begin the implementation of our 2022-2025 three-year plan. SCAEC staff and members will continue to focus on meeting the needs and gaps of students and communities as outlined in our three-year plan. Our Transitions Team created a student and teacher resource website to ensure students have access to valuable resources to plan for their future. The Transitions Team continues to provide student support by attending both in-person and virtual classrooms and meeting with students one-on-one to provide CBO and Workforce referrals. They continue to hold workshops on financial aid, applying to college, finding a job, creating your brand, resume writing, and Next Step Fairs. We continue to host virtual and in-person college campus tours as well as our annual College Showcase. SCAEC also hosts quarterly data and accountability workshops to ensure data is captured accurately. Our college members are working with the adult schools within their sub-regions to implement SB 554 opportunities for adult education students. For the 22/23 school year, we will follow our new three-year plan and modify instruction delivery and transition services as needed. SCAEC has hired a consultant to assist with the pathways and curriculum alignment project. Marketing efforts continue with our monthly newsletters and social media presence. Changes: In 2022/2023, SCAEC will fund Parlier Unified School District to move from a non-funded member and they will receive a small allocation to build their adult school program.

**Changes:** No Changes
