Consortium Name: 64 State Center Adult Education Consortium

Funding Channel: Fiscal Agent

Fiscal Agent: Not Selected

Narrative: The State Center Adult Education Consortium (SCAEC) has begun the implementation of our 2022-2025 three-year plan. SCAEC staff and members will continue to focus on meeting the needs and gaps of students and communities as outlined in our three-year plan. Our Transitions Team continues to drive students and teachers to our resource website to ensure everyone has access to valuable resources. The Transitions Team continues to provide student support by presenting at in-person classes and meeting with students one-on-one. They continue to hold workshops on financial aid, applying to college, finding a job, creating your brand, resume writing, and Next Step Fairs. We continue to host virtual and in-person college campus tours as well as our annual College Showcase. SCAEC joined the Unite Us platform to provide CBO and Workforce referrals. SCAEC also hosts quarterly data and accountability workshops to ensure data is captured accurately. Our college members are working with the adult schools within their sub-regions to implement SB 554 opportunities for adult education students. For the 23/24 school year, we will follow our new three-year plan and modify instruction delivery and transition services as needed. SCAEC continues to work with a consultant to assist with the pathways and curriculum alignment project. Marketing efforts continue with our monthly newsletters and social media presence.
