I certify that our agency did not exceed the allowed indirect rate as directed in the Adult Education Program

Guidance: Yes

Summary of Activities:

ABE, ASE, K-12 Program for Student Success. Important to note that additional room allocation from our district came much later than anticipated, all expenditures related to that expansion will fall into 2019-20 expenditures at an anticipated \$100,000. We will also have a substantial long over due salary increase for our instructors which will go into effect one it receives board approval.

Totals	\$230,820	\$269,600	85.62%	\$703,968	32.79%	\$473,148

Summary of Activities:

Fillmore Adult School is refining and expanding course offerings to improve the quality of services and retention of students and meet unmet needs in the Fillmore/Piru community. In addition to five sections of ESL, prep classes for HSD/HSE and US Civics and Spanish to non-native speakers, we have restarted and vastly improved our VESL auto mechanics class. We now offer two levels of computer literacy - the intermediate level is now an official Certiport testing center in which students will earn MOS certifications. We now offer HSE prep in Spanish, a nightly schedule of ABE classes in our Learning Center and have expanded our job skills/work development program to the Fillmore Active Adult Center, with senior students learning basic computer, internet and work-readiness skills. FAS continues to partner with Ventura College to provide a learning space for Fillmore/Piru college students and in the near future, space for additional dual-enrollment classes for Fillmore High School.

Corrective Action Plan

Additional classes were added to ensure that funds were fully expended.

Summary of Activities:

FAS continues to grow and expand. As of 2/27/19, we have enrolled just under 400 students into 15 distinct courses. FAS now offers six a.m. and p.m. ESL classes, three levels of computer technology, VESL auto mechanics, U.S. Citizenship courses in Fillmore and Piru, a dedicated math learning lab, HSD and HSE in English and Spanish as part of our Learning Center. We have opened classes in Piru and at the Fillmore Active Adult Center and are planning an expansion of CTE technology offerings with Microsoft Imagine Academy as a core component.

Summary of Activities:

FAS continues to expand programs and future capacity to better serve the community. This year we opened a second ESL/Civics class at the Rancho Sespe Housing Development in Piru. Our internet and computer basics class recently opened at the Fillmore Active Adult Center has also been a great success and has spawned an additional afternoon ESL class, the 7th ESL class on our master schedule. Our ETS HiSET testing center was officially certified in June 2019 and will be open for business in time for the start of the Fall 2019 semester. Finally, FAS has launched a solar photovoltaic class in partnership with VCCCD, Moorpark College and Southern California Edison. The course has enrolled 23 students (and counting) and will be conducted throughout the summer of 2019.

Totals	\$36,700	\$50,522	72.64%	\$336,816	10.9%	\$300,116

Summary of Activities:

The Adult Education program in Moorpark Unified is again excited to provide English as a Second Language classes for member of our city and the surrounding communities. We are hoping to expand our program this year by adding a GED/HiSet course as well as a basic computer skills course. For the first time in recent history, we were able to offer a morning ESL class this year in addition to our evening classes. Our program of ESL classes began in October so our Classified and Certificated salary expenditures were a little lower than anticipated for Q1.

Totals	\$124,408	\$101,045	123.12%	\$336,816	36.94%	\$212,408

Summary of Activities:

Moorpark's Adult Education program continues to provide ESL classes for our adult learners at both the beginning and intermediate/advanced levels. It was our hope this year to expand our program offerings to include some HiSet or GED courses but additional planning and staffing will need to occur before those programs can be added.

Summary of Activities:

Ojai Unified School District has continued to offer Adult Diploma and ESL classes on our main campus. We have started an ESL class at one of our elementary campuses, so that parents can take the class while students are accessing evening computer lab and tutoring opportunities. We have partnered with Ventura College to offer an Introduction to Building and Construction course on our campus, with Ojai providing the room and the technology (both instructional and for student use), and Ventura College providing the instructors and the curriculum. Ojai will be offering a computer literacy/career readiness class, modelled after a successful class developed by Ventura Adult and Continuing Education. The course will be open to all adults, but will specifically target senior re-entry candidates. This course is projected to begin in January. Also in January, we will offer basic math skills for parents on three of the elementary campuses in the valley, two from OUSD, and one VUSD.

Corrective Action Plan

Ojai is the consortium level fiscal banker. Due to the 6 month delay in receiving the 2018-19 allocations the consortium was not able to fund consortium level activities, thus causing a need for the corrective action plan. Ojai delayed the start of two programs - an expansion of ESL into a new site, and a program for re-entry workers. Both programs are ready to start this spring.

Summary of Activities:

Ojai has expanded ESL to include one elementary school campus. This is a morning class targeting parents of elementary students. Our Encore program, for workforce readiness/ re-entry will begin in March. Ojai has successfully partnered with Ventura College to offer an IET program, Introduction to Residential Building and Construction, which will graduate its first cohort shortly. We have secured an MOU to partner with the Ojai Library, to offer classes for adults in the Library's classroom.

Corrective Action Plan

Some programs were late in getting started, such as ESL for parents on the Mira Monte Elementary campus and Encore. Both programs are now up and running, and will continue through the summer. Ojai returned \$25,000 in carry-over funds to the consortium, to support other member needs.

Summary of Activities:

Ojai has expanded ESL to include a morning class for parents on an elementary school campus. We have continued to offer evening classes on our main campus. Adult Diploma and GED prep are continuing, and we have added an Encore computer essentials class.

Corrective Action Plan

Expansion of program and hiring of additional personnel.

Summary of Activities:

Expanded to off campus site for ESL classes. Our morning program is being expanded to two locations. We are hoping to expand our program this year by adding a Work Study course as well as Hi Set test center.. For the first time in recent history, we were able to offer a morning ESL class this year in addition to our evening classes. Our Classified and Certificated salary expenditures will increase due to the additional classes.

Summary of Activities:

VACE continues to provide ABE/ASE, ESL, CTE, RAP, and computer literacy classes at TRJ and the Main Jail. VACE continues to partner with the VCAAA, City of Ventura, and the AJCC to provide ENCORE, Workforce Development Academy re-entry programs, and a Google Academy program. VACE continues to offer Paraeducator/IET training at E.P. Foster Elementary, co-taught by a CTE and an ESL instructor. The K-12 Math Success/ESL program will be offered at two elementary schools and one middle school this year. The Culinary-Hospitality Pre-apprenticeship program has expanded to include a new IET course called "Hospitality Plus". VACE continues to offer ABE/ASE, ESL, Citizenship, HSE, HSD, Community Enrichment and CTE courses at our main site. We also offer programs for AWD at the Arc of Ventura sites.
