District carryovers became available the end of October 2019 allowing the processing needed for Journal Entries and Budget Transfers related to CAEP budget needs. In addition, many of the purchases encumbered between 7/1/19 to 9/30/19 were not completed. Increased hours and the need for additional instructors is ongoing for both seat time and online classes due to increased enrollment demands. Additional supplies and equipment are being purchased to provide instructors and students with the tools needed for successful achievements. Conference and CAEP trainings are being attended and payment should reflect in 2nd quarter. Yearly renewal of online software is purchased and payments should reflect in 2nd quarter.

Many of the purchases encumbered between 10/1/2019 to 12/31/19 were not completed creating an additional 50% of expenditures still pending. Increased hours and the need for additional instructors is ongoing for both seat time and online classes due to increased enrollment demands. Retiring and restructuring of staff created a void that recruitment is persuing. Additional supplies and equipment are being purchased to provide instructors and students with the tools needed for successful achievements. Conference and CAEP trainings are coming up in the 3rd and 4th quarter and should be reflected.

Our campus will remain physically closed to prevent the spread of COVID-19. However, our adult students are continuing their education by working via distance learning with teacher developed materials, reviewing and utilizing textbooks and workbooks, completing projects and utilizing supplemental resources with ongoing teacher support. Online learning resources for our Adult Education classes (such as Odysseyware, Nextgen Aztec, GED Flash or Side by Side Interactive Activities) remain active for our students by using their current usernames and passwords. Teachers are in contact with their students to provide distance learning opportunities to include virtual sessions such as Zoom, Google Classroom, conference calls and email. Our classified support staff and administration continue to provide essential support services to our Adult Education students and community. Partnerships with Workforce, WIOA, and CAEP agencies are ongoing to provide essential services to our community.
