Corrective Action Plan

WHCC intends on following through with the plans set into motion in '19-20 that focused on supporting the CAEP program through personnel. Having a primary point of contact for CAEP participants will enable WHCC to streamline the process of enrollment/registration.

Summary of Activities:

2019-2020 activities included delivering not-for-credit courses using vocational trainers and continuing and hiring key personnel to support CAEP participants. Further, additional planning was initiated including the development of not-for-credit courses/training although COVID19 forced remote operation and interfered with executing previous plans.
