67 West Hills College Consortium

Allocation Amendment Summary

Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

Consortium Name: 67 West Hills College Consortium

Funding Channel: Fiscal Agent

Fiscal Agent: Not Selected

Narrative: The West Hills College Adult Education Consortium (WHAEC) anticipates an increase in enrollments for FY 2021-2022. CAEP members' goal is to use the allocation to offer courses based on students and labor demand needs. Members are anticipating a growth in the number of courses offered. The consortium has agreed to continue the same fiscal agent format with West Hills Community College District providing that role and the reporting lead. The consortium Governance will remain the same without a change to the approved voting members list. WHAEC will continue to address educational and training gaps identified in the region, including, but not limited to low education levels, no high school diploma, limited English speakers, and low career skill-set levels. Instruction in ESL, Citizenship/Civics, diploma/HSE, parent education to support k12 students success, courses for students with disabilities, and Career and Technical Education have all been expanded into most communities served by the consortium as the demand for these programs has consistently increased. All members are addressing and aligning instructional programs with our 3-year plan.
