Fiscal Declaration - Consortium Approved

Consortium Name: 68 West Kern Consortium

Funding Channel: Fiscal Agent

Fiscal Agent: West Kern Adult Education Network Joint Powers Authority

Narrative: West Kern Adult Education Network (WKAEN) entered into a Joint Power Authority (JPA) in 2017. At that time, as part of the consortium's Three-Year Plan, WKAEN's goals were to create an established system student intakes, assessments, counseling, and placement processes into the myriad of adult education pathways and workforce services. The formation of the WKAEN JPA allowed the consortium to leverage and localize resources and ultimately led to successful implementation of the Three-Year Plan, ultimately increasing services and student success as a whole. The pass through funding as West Kern Community College District is the only pass through entity for the funds which are allocated to only one member of the consortium, West Kern Adult Education Network JPA (WKAEN). The planned allocations are consistent with the annual adult education plan which is based on our AEP 3-year plan as follows: 1. Programs in elementary and secondary skills, including those leading to a high school diploma or high school equivalency certificate. 2. Programs for immigrants in Civics, citizenship, ESL, and workforce preparation. 3. Programs for adults, including, but not limited to, older adults, that are primarily related to entry or reentry into the workforce. 4. Implementing staff and training to work with assisting students with special needs. 5. Programs in career technical education that are short term in nature with high employment potential. 6. Programs that are geared to pre-apprenticeship training conducted in coordination with one or more apprenticeship programs approved by the Division of Apprenticeship Standards

Changes: As of 2021-2022 WKAEN has redeveloped its team and implemented policies and job descriptions to allow WKAEN to grow into a successful program and meet the needs of our students. WKAEN hired a full time Data analysis, a counselor/case manager for post-secondary, became a Pearson VUE testing center, has leased a new building for our ESL, civics, citizenship, ESL CTE courses to aligned with the IIF framework. WKAEN has trained and developed a system that uses modules so that we can stream line the students into a clear career pathway. WKAEN has went from 2019 17% to 2021 45% in Literacy gains. WKAEN has received a work force grant that aligns Taft community college and Taft Union High school (building educators through education) allowing us to have home grown teachers within our rural area. WKAEN is in the process of becoming a Accredited program in construction. Under the three-year plan that align with new pathways that will lead to greater career mobility, economic growth, and community development.
