

CAEP Allocation Amendment: 2020-21 Produced: Jun 30, 2020, 05:57 AM UTC Denise Shannon

## 70 North Central Adult Education Consortium (Yuba)

### Allocation Amendment Summary

#### Fiscal Declaration

The Fiscal Declaration information in this section has been provided as a courtesy. It has not been changed since CFAD has been approved by the Member Representatives.

**Consortium Name:** 70 North Central Adult Education Consortium (Yuba)

**Funding Channel:** Fiscal Agent

**Fiscal Agent:** Not Selected

**Narrative:** Per our annual and 3-year plan, each member annually conducts needs assessments which helps drive member plans, our annual plan, while supporting our 3-year plan. The consortium is continuing to focus on outreach, support, and investments in programs to improve ESL/VESL, and IET programs; technical, academic and work-readiness competencies of all students so they are better prepared to transition to college and careers. As a result, more investments will be made in CTE, Integrated, and VESL instruction, WBL, and career exploration. Additional investments will also be made in professional development to better prepare instructors for distance learning, integrated instruction, curricular mapping, alignment of assessments, and data driven instruction. Consortium-wide, all members will also focus on improved recruitment and retention strategies as well as the integration of additional student support systems. The consortium will be hiring an additional navigator to support ESL students, and investing in CANVAS to increase student access to programs and services, especially in our rural regions. Current online programs such as Burlington English, AZTEC, Reading Plus, HISET prep will also be expanded to improve student access to programs throughout the region. NCAEC will also continue to work with Tri-County ROP, One-Stops, LWIBS, and other partners to braid funding and provide wrap-around services while limiting duplication.

**Changes:** Changes: There are no changes to the consortium disbursement method of funding. At a distance meeting on April 14, 2020, the executive committee made a decision to allocate the 2019-2020 COLA equally between members. The new allocations are reflective of member needs and will help programs build capacity, improve access, and provide additional services to better meet the needs of the community and students.
