Due to the COVID 19 crisis, we have not needed to purchase any supplies or outreach materials. We are using free advertisement via social media outlets. Since we are unable to see into the future what the pandemic will hold for us, we thought it wise to budget for supplies/outreach, but knew we may not use it. Also, mileage has not been used at all as almost everything has shifted to virtual conferences/events.

Summary of Activities:

Director is liaison between CAEP and Consortium. Completed virtual trainings and virtual conferences this quarter. Hosted virtual Consortium Meetings, coordinator meetings, data team meetings and agency partner meetings. Worked on website content and design. Developed an adult education newsletter that all community partners are eager to get each month. Attended numerous webinars pertaining to data, fiscal, outreach, COVID, etc.
